Hello Mike,

Attached are the liquor license documents to complete.

Original Alcohol Beverage Retail License Application (normal fee \$100 for Beer, \$100 for Wine; prorated fee is on the application; corresponds with the dates I filled in at the top) Auxiliary Questionnaire (Each member needs to complete a form - i.e. President, VP, Secretary, Treasurer, Agent, etc) you can make copies, if you need to) Schedule for Appointment of Agent (the agent is responsible for the alcohol; i.e. underage sales etc)

Like I mentioned on the phone, if you have the completed forms and payment to the City Clerk's Office by Nov. 16th there should be no problem getting it on the Health & Safety agenda for 11/28. The application would then go to Council on 12/13 for a start date of Dec 14th.

Complete as much as you can and then see Stephanie or I with any questions.

'ave a good weekend,

Turnout Time*

* Turnout Time is defined by NFPA 1710 as the elapsed time from when a unit is dispatched until that unit changes their status to "responding." NFPA 1710 sets the standard for turnout time at 60 seconds for EMS calls and 80 seconds for fire calls. Using 90th percentile gives an accurate snapshot of these calls. An emergent response indicates the use of lights and sirens to a call and the responding time is less than 6 minutes

November Trainings – Items in red are required/mandatory trainings

- All personnel participated in the initial training of our newest probationary Firefighter Paramedic Kendall Nelson. Kendall is assigned to B-shift along with her mentor Battalion Chief Kraegenbrink and began work with shift personnel on the completion of her first month's portion of the Probationary FF Task Book.
- **The Monthly EMS Drill for November included Advance Cardiac Life Support and Pediatric Advanced Life Support Pre-course testing prior to refresher classes being taught in December.**
- Personnel performed a review of chimney fire response and extinguishment techniques. This included a review of assignments to extinguish the chimney fire based on staffing level for the day.
- Additional trainings performed with personnel with the new EMS run form to ensure staff was comfortable on how to enter the call information for various types of EMS calls. The goal to move to this system is December 1st.
- Prior to the start of the Wisconsin Gun Deer hunt crews were able to use the MARC area to review UTV operation and various GPS devices to locate a lost or injured person. Personnel then were given a scenario to where they used the last known coordinates of the person to perform a search for the lost or injured person.

Programs & Services Being Altered/Eliminated

In light of the administrative battalion chief being defunded for 2023, the Merrill Fire Department command staff reviewed and prioritized all of the non-emergent services and programs that we offer. In order to still achieve timely and appropriate responses to emergencies, while maintaining minimum training and station duty functions, we are making difficult decisions to alter, or if needed possibly discontinue, various non-emergency services/programs. Here is an initial list of affected services/programs.

Feel free to contact me with any questions, comments, or concerns.

Respectfully,

Joshua R. Klug

Turnout Time*

* Turnout Time is defined by NFPA 1710 as the elapsed time from when a unit is dispatched until that unit changes their status to "responding." NFPA 1710 sets the standard for turnout time at 60 seconds for EMS calls and 80 seconds for fire calls. Using 90th percentile gives an accurate snapshot of these calls. An emergent response indicates the use of lights and sirens to a call and the responding time is less than 6 minutes
