CITY ATTORNEY**REPORT FOR DECEMBER 2020**

FESTIVAL GROUNDS: Rental inquiries are continuing to come in, they are told to either call back once Health Department guidelines are modified, or names and numbers are taken to call them back. Bridges Virtual Academy is doing their ACT testing at the Expo Center in March 2021 (for only 25 students).

MUNICIPAL COURT: Merrill and Tomahawk Municipal Courts are closed until January 11, 2021. Matters that can be resolved without court hearings are being handled by stipulation. We have a refusal hearing coming up next month, and several contested matters after that.

CIRCUIT COURT: We have one OWI matter scheduled for the end of January in Circuit Court.

NEGOTIATIONS: Rural fire contract negotiations are continuing. Relayed the City's offer as authorized. Attorney for Towns said he will be in touch.

SEMINARS: Completed CLE credits. It appears your City Attorney will maintain his license.

DEVELOPMENT PROJECTS: We had the closing of the Swiderski project – Fox Point on the 22nd. We look forward to that project getting started.

MISCELLANEOUS: The State of Wisconsin lost a great jurist and citizen with the death of Justice Shirley Abrahamson. She was a scholar of unequaled proficiency, a passionate judge, and one of the best I've had the pleasure to know in the legal profession.

HAPPY NEW YEAR!

3. Assisted in tax bill calculations and preparations as necessary and/or requested.
4. Working with IT Manager Brown on I/T matters as necessary, including the return to primarily virtual meetings.

City Clerk Bill Heideman, CMC, WCMC

Administrator's Report 11/19/20 – 12/22/20

New Development and Blight elimination

I was contacted twice in the past month by Kortni Wolfe with S.C. Swiderski to let me know that their project on the Fox Point property is still on track for 2021 construction.

Our group of MADC board members has continued to meet concerning the former Hurd property. The electrical service has been restored to 1200 amps. We have heat in the 110K building thanks to the efforts of Bill Bialecki in dealing with WPS, following up day after day. WPS refused to do any work without payment up front so Bill sent them a check for the required \$800+. WPS received the check and misplaced it, they then refused to do the work until Bill sent another check. We got the heat restored literally the day before the night-time temperatures dropped into the teens. Without heat we would have had frozen pipes in the fire suppression system, as well as the restrooms.

Urban construction completed temporary repairs on the former Hurd 110K building roof so that there will be no leakage over the winter. More roof work will take place this spring. Closing on the property sale is still scheduled for March 1, 2021.

On November 20, I met with Rick Bliese and Dennis Krueger from Lincoln Wood on the River Bend Trail extension along the Lincoln Wood property along the river. We walked the trail extension so that they could show me where they want chain link fencing placed along their property and where they would like some lights placed.

I continued to meet regularly with Bill Bialecki, LCEDC Director, to discuss potential projects in Merrill and Tomahawk. Bill met with a developer concerning new apartments in Tomahawk and they are interested.

Construction is almost complete on the River Bend Trail handicap access to the Wisconsin River near the Agra Pavilion, including the railing system at the river which was fabricated by the Street Department. All that is needed to complete the project is the railing on the ramp which is scheduled to be completed yet this winter. In spring we will be constructing fish habitat with boulders in the river in front of the access platform.

On November 30, I had a virtual meeting with Debbie Dehn with WHEDA. She wanted to know more about our housing initiative with new apartments and single family homes. She was interested in our use of TIF to make this development occur. She asked if she could use Merrill as the “poster child” for small cities who are “doing it right” in her presentations. Apparently we are doing something right and it is being recognized outside of the City at the state level.

On December 2, I met with Weinbrenner Shoe Co. President Jeff Burns to talk about the Development Agreement, roof work on the former Hurd building, restoration of power to the building, heat for the building, and snow plowing until Weinbrenner closes the sale on March 1. Several additional conversations took place throughout the month.

On December 3, the Merrill Chamber of Commerce ribbon cutting was held on-site at the new Any-Time Fitness facility.

On December 4, I met with Dieter Nickel and Lance Nienow concerning their property between Aspirus Clinic and Cobblestone Hotel. In 2014, the City paid for a wetland delineation for the property and found that a fair amount of the property is wetland and is non-buildable. The state will not let us fill the wetland. This is the case even though it was the state that unintentionally created the wetland while reconstructing highway 64

years ago. Dieter and Lance were asking if the City would purchase the property for future development. The southern corner of the property could be utilized for storm water detention that we will need in the future. The area directly between Aspirus and Cobblestone would require a large retaining wall to facilitate development.

The new spec homes being built on St. Paul St. are progressing rapidly with all three homes now having been sold prior to completion. Denyon Homes will be providing a written acknowledgement of their desire to continue with further home construction in 2021.

Jim Jaworski has begun work on the first three homes along Edgewater in what has now been named Rock Ridge Park. Three lots have all been prepped for construction and construction is proceeding on two of the homes over winter.

Festival Grounds

The Lincoln County Health Department conducted several drive-thru flu shot clinics in the Streckling Building and the National Guard will continue using the Steckling Building for drive-through COVID-19 Testing.

I was contacted by Kelly Streich from Elite Carriers. They have purchased 40 new semi-trailers and wanted know if we would allow them to store the 40 used trailers on the Festival Grounds until they can be sold but no later than March. Elite Carriers has annually provided trailers to use for screening at the Rodeo and Tractor Pull, delivering and placing the trailers at no cost. I talked with John Van Lieshout, Paul Russell, and the Mayor before committing and they were OK with this. Elite starting placing the trailers on the grounds on 12/16.

Personnel

On December 3, I completed salary surveys at the request of the cities of Verona and Mosinee and provided copies of our last 3 Police and Fire contracts.

On December 3, I attended the Police & Fire Commission Meeting to conduct interviews with candidates for a new eligibility list to replace upcoming retirements in the Police Department. All three candidates interviewed were approved by the Commission and an offer of employment has been made to the first candidate on the list with two more offers to follow.

On December 7, I joined Rod Akey and Dustin Bonack for the termination of a Street Department employee,

Applications were reviewed and interviews held for the open Foreman's position in the Street Department. An offer was made and has been accepted for this position. This is an internal promotion.

Thus far I have met with Alderman Osness, Russell, Blake, Weix, Van Lieshout, and Rick to discuss my performance evaluation, and am still waiting to hear from and meet with Aldermen Hass and Sabatke.

Miscellaneous

On November 20, Pat Burg, Bea Lebal, and I met with Good Samaritan Hospital Administrator Jonathon Matuszewski at the T.B. Scott Mansion. We marked those items in the mansion that the Merrill Historical Society would like to obtain and preserve, including decorative cast iron fireplace liners, decorative fireplace tile, fireplace mantels, a stained glass window, newel posts, and brass door hardware.

Jeremy Ratliff visited my office on December 14 to introduce Tina Scott. She will be taking Jeremy's position at the Foto News after the first of the year when Jeremy is leaving.

On December 18, I participated in a League of Wisconsin Municipalities virtual meeting with other cities. The topic of discussion was state/local government spending. A breakdown of total government local spending shows 40% for K-12 schools, 25% for cities and villages, 25% for counties, and 10% for townships and special districts (Tech Schools). Municipal spending priorities statewide are Police, Fire, Roads, and Sewerage. Levy limits have increased state spending for local government so that the split is now roughly 50% paid by the local government and 50% paid by the state.

COVID-19 Response

On November 19, I participated in the quarterly meeting of central Wisconsin City Administrators. Most discussion centered around COVID-19. The majority of cities have closed their City Halls and other facilities to foot traffic and gone to appointment only visits. We also discussed extending CARES Act sick leave to "essential" personnel, with some having done and some still considering doing so.

On November 20, I participated in a League of Wisconsin Municipalities virtual meeting. The entire meeting was devoted to COVID-19 issues. The majority of cities have closed or partially closed some or all of their facilities.

I have continued sending information and updates to Aldermen and Department Heads on a daily basis as the number are available. In the last month we saw a precipitous rise in COVID-19 cases in our area which then leveled off and is now slowly dropping. Wisconsin no longer ranks in the top 5 hotspot states in the nation according to the CDC.

The closure of City Hall to foot traffic has occasioned very little comment that we have heard. Hopefully we will be able to re-open after January 1

On December 10 I participated in a COVID-19 webinar. The webinar addressed the following key concerns and questions:

- What are the rules now?
- What are the consequences of employee absence and the rights of the employer in requiring employees to return to work?
- The can's and cannot's associated with attendance considerations during the pandemic.
- OSHA and workers compensation considerations and things to be aware of when providing PPE to employees.
- Employee benefit plan implications of COVID and federal "changes in the rules".
- The State of Wisconsin response to the pandemic and the additional obligations for employers.
- What happens when the pay and leave provisions of the Families First Coronavirus Response Act expire?

Due to the high level of community-wide spread of COVID-19 and the need to ensure appropriate staffing levels, as well as the health and safety of employees the decision was made to keep City Hall closed through at least January 4, 2021, with re-opening as conditions allow. This followed a discussion with Lincoln County Health Department and a discussion between City Clerk Heidemann, Mayor Woellner, and me. The Enrichment Center, Utilities Office, Street Department Office, and Smith Center will also remain closed. The Library Director and Library Board Chair made the decision to keep the Library closed and provide continuing curbside service. Transit services will continue as staffing allows, with the office closed to foot traffic.

In a December 9 virtual meeting Dan Wendorf, Tammie Mrachek, and I talked with Shelley Hersil about re-opening facilities. The Lincoln County Health Department has now OK'd the use of the Smith Center indoor skating rink by the Hockey Association and Ice Reflections figure skaters so long as they follow the guidelines specifically approved for this use. The locker rooms will not be open for use and attendance will be strictly limited.

Kathy,

Attached is a scope of work and quote for the two services, as we discussed this afternoon.

As I was preparing the scope for the change to PFP charges, I noticed that the requirements the PSC has for the expedited process may not allow the City to use it. They require that there have been a conventional rate case completed within the last five years, whereas you only have simplified rate cases in that time. I will contact someone at the PSC to get clarification as to whether Merrill would qualify for the process, but I doubt I will get an answer by tomorrow at noon.

However, if you would not qualify for this process, I think we can appeal for an exception in one of two ways.

1. Prepare a conventional rate case application, but do not include an increase in revenues, only a change to the PFP charges, or
2. Go through the expedited process, with a stipulation that the utility be required to come back for a conventional rate case within 12 months (or some other timeframe).

Being that there is some urgency regarding the impact to the 2021 budget, I think one of those two options may be acceptable to PSC. If it is option 2, then the quote I have attached in the letter will not change. If it is option 1, there may be a little more work required, but how much would depend on how flexible PSC is willing to be. Hopefully I can get some direction on that from PSC staff before the meeting next week.

Thanks and I'll be in touch regarding PSC communications.

RE: Water Utility Rate Assistance

Dear Ms. Unertl:

Trilogy Consulting is pleased to submit this proposal to work with the City of Merrill to assist in gaining approval from the Wisconsin Public Service Commission for a simplified rate increase and a change in how public fire protection charges are collected.

Our scope of work for these services is described below.

Task 1 – Simplified Rate Case:

- 1) Complete the application for the simplified rate case via the PSC website;
- 2) Provide the required customer notices necessary to City staff in order to complete the process;
- 3) File all required information to the PSC docket on ERF as needed;
- 4) Assist with any questions for implementing the new rates.

This task requires minimal involvement as the process is fairly automated by the Public Service Commission. The entire process usually takes around 30 days. Our time to complete this task will require no more than 2 hours, cumulatively.

Task 2 – Change to Public Fire Protection Charge Recovery: There are two methods for changing the method for how public fire protection charges are recovered: a conventional rate case, or a 'PFP' docket which was specifically created to address this issue in between conventional rate cases. The following scope of work follows the guidelines for the 'PFP' docket, in preparation for a conventional rate case at a later date.

- 1) Request information needed for the application from the City;
- 2) Prepare a resolution that will need to be passed by the City Council to be included in the application;
- 3) Prepare the application for changing cost recovery methods, including:
 - a. Cover letter requesting the change;
 - b. Determining the total revenues that will be included in the public fire protection charges;
 - c. Supporting documentation for the chosen method of recovery;
- 4) File all documents required by PSC to their ERF system;

Attachment: Trilogy, LLC (5528 : Consider contracting with Trilogy, LLC for water utility rate assistance)

- 5) Review all documents prepared by the PSC during the process and confer with City staff as needed;
- 6) Attend the PSC telephonic hearing in support of the application;
- 7) Provide assistance with implementation as requested by the City.

Most of the work to complete this task will be at the beginning of the project, in preparing the application. PSC states that the entire process usually takes 12 to 14 weeks to complete. It generally follows the same procedures as a conventional rate case, although it will not require as detailed a review, as the utility would not be looking to increase its revenues, simply to change how they are collected. It is anticipated that this task will require no more than 18 hours throughout the process.

I will be the project manager and main point of contact with the City for these services. We currently bill out at an hourly rate of \$110 per hour. We do not charge for reimbursable expenses such as mileage or copies, unless we need to send something out for printing; however, that is not anticipated. Based on the scope of service described above and our experience with the most recent update, our cost for this project will not exceed \$2,200.

We look forward to the opportunity to work with the City. Please feel free to call me with any questions on the proposed scope of work.

Sincerely,

Street Superintendent Bonack noted that the information in the meeting packet included three options related to garbage/recycling cart distribution. Public Works Director/City Engineer Akey and Street Superintendent Bonack are recommending Option #1.

Lincoln County has decided to follow the guidelines of the State of Wisconsin Health Department, rather than the guidelines of the Center for Disease Control (CDC). Lately, the number of positive COVID-19 cases has been trending downward.

The potential of "reopening" City Hall was discussed. City Administrator Johnson stated that we should not go "back and forth" between opening and closing City Hall. This would cause confusion for the public on whether City Hall is open or closed.

Alderman Russell stated that he favors returning to the "high" COVID-19 category.

Motion (Russell/Blake) that the City return to the "high" category for COVID-19 and follow the standards associated with that category. This recommendation would be referred to both Mayor Woellner and the Common Council. A special Common Council meeting would be scheduled to address this issue. Motion carried.

Current training opportunities were reviewed.

Upon request, Fire Chief Klug provided verbal information on the two "Baker Barns" which were just added to the department. He gave details on the funding and planned use for the buildings.

Police Chief Bennett reported that winter parking restrictions are now in effect.

The Police Department is in the process of finalizing three new hires. Three candidates have been approved and accepted. Their starting dates will be staggered.

Police Chief Bennett shared verbal information on recent promotions.

Police Chief Bennett reported that the "Lights of Christmas" fundraiser was a success. Funds collected from this event are used to purchase gift cards and distribute them to the needy. There are still cards that have not been distributed, so, if anyone knows someone in need, they should contact the Police Department. Confidentiality will be maintained when distributing the cards.

City of Merrill
Meeting of Redevelopment Authority (RDA)

Wednesday, September 2nd, 2020 at 8:00 a.m.
City Hall Common Council Chambers

RDA Present: Clyde Nelson, Tony Kusserow, Steve Sabatke, Sheila Polak,
Lori Anderson-Malm, and Derek Woellner (via phone)

RDA Excused: Val Mindak

Others: City Clerk Bill Heideman, City Administrator Dave Johnson, City Attorney Tom Hayden, Finance Director Kathy Unertl (via phone), Public Works Director/City Engineer Rod Akey, City Building Inspector/Zoning Administrator Darin Pagel, Bill Bialecki from Lincoln County Economic Development Corp. (LCEDC), Heath Tappe of Denyon Homes and Ryan Ott of Ryan Ott Development & Construction, Jim Jaworski from JJ Premier Investments and Travis Carlson from CMO Building Services

Call to Order: Chair Nelson called the meeting to order at 8:00 a.m.

Consider approval of RDA meeting minutes from August 19th, 2020:

Motion (Sabatke/Kusserow) to approve the meeting minutes from August 19th. Carried.

Public Comment: None

Presentation on and discussion of potential options for single-family home development on former Kienitz parcel (Tax Increment District No. 11):

Denyon Homes and Ryan Ott Development & Construction, LLC:

Heath Tappe of Denyon Homes highlighted his firm's housing developments in central Wisconsin communities with a PowerPoint presentation. Tappe was involved in the Nicholaus Subdivision in Merrill. Denyon Homes will be the primary financing partner and has connections for building materials and construction contractors. Ryan Ott Development & Construction will be the primary building contractor.

Their plan is construction of three new homes on W. St. Paul St. starting in September 2020. Timing of Wisconsin Public Service utility installation was discussed, as well as need for high speed internet service. City of Merrill would plan for potential 2021 utility and Superior Street infrastructure construction in 2021 (i.e. extension between W. 10th St. and W. St. Paul St.).

Unertl reported that Merrill Common Council authorized the three single-family home development project with Ryan Ott Development & Construction LLC on 9/9/2019. City Attorney Tom Hayden concurred that just a revised development agreement would be needed with both Denyon Homes and Ryan Ott included.

Presentation on and discussion of potential options for single-family home development on former Kienitz parcel (Tax Increment District No. 11) - Continued:

JJ Premier Investments, LLC and CMO Building Services, LLC:

Bialecki introduced Jim Jaworski from JJ Premier Investments and Travis Carlson from CMO Building Services. JJ Premier has built new affordable housing on Sherman Street in Wausau.

There were building concept drawings in the RDA agenda packet. Typical homes are three bedrooms and two bathrooms (i.e. about 1,400 sq. ft.). JJ Premier Investments is interested in starting construction on up to three homes yet in Fall 2020. These would be stick built homes, so the recent building material pricing increases were mentioned as a concern.

RDA Commissioner Discussion and Motion:

Timing of City infrastructure improvements were discussed. Public Works Director/City Engineer Rod Akey suggested preliminary timeframe of July 31st, 2021 for curb, gutter, and paving of W. St. Paul St. Extension of Superior St. would involve both utility and street improvements.

Nelson verified that the transfer of three (3) City-owned lots was possible now. City Building Inspector/Zoning Administrator Darin Pagel advised that the Certified Survey Map (CSM) allows for transfer of three lots. A City Plan Commission public hearing and recommendation to the Common Council is still needed on the formal Plat to facilitate future development of the rest of the parcel. Anderson-Malm asked about right-of-first-refusal for the entire property if the three new homes constructed as Phase 1 in 2020. The right-of-first-refusal is in the draft revised development agreement included in the RDA agenda packet.

Motion (Woellner/Anderson-Malm) to continue finalizing a revised development agreement with Denyon Homes and Ryan Ott Construction and proceed with the platting approval process. Motion carried.

RDA Commissioners requested Bill Bialecki from Lincoln County Economic Development Corp. (LCEDC) and City staff to work with JJ Premier Investments on potential other City-owned property that could be developed for single-family home development.

Update on redevelopment of former Hurd Windows & Doors parcels (Tax Increment District No. 8):

Johnson reported that Merrill Area Development Corp. (MADC) has accepted an offer to sell the site and the two buildings to Weinbrenner Shoe Company. The sale closing will occur in early 2021. Weinbrenner plans to invest about \$3 million in improvements. Bialecki commented that Weinbrenner Shoe Company plans to add new jobs to facilitate their business expansion.

Before end of 2020, City staff will be preparing draft Common Council resolution and development agreement for Weinbrenner Shoe Company redevelopment of the former Hurd Windows & Doors property and buildings.

Follow-up on FreMarq Innovations quarterly employee count information (Tax Increment District No. 7):

Renea Frederick has requested potentially restart the two-year fifty employee retention period as of mid-December 2020 due to the impacts of COVID-19 on their curtain wall manufacturing business. RDA Commissioner consensus to consider this request in closed session at the November RDA meeting.

Unertl also reported that the City of Merrill will not be extending water and sanitary sewer to the northern most building in 2020. This infrastructure project will be considered in the future.

Next RDA meetings: Joint meeting with Committee of Whole scheduled for 6:00 p.m. on Wednesday, September 23rd. Regular RDA meeting scheduled for Wednesday, October 7th at 8:00 a.m.

Adjournment: (Woellner/Sabatke) to adjourn at 9:15 a.m. Carried.
