WHEREAS, the City of Merrill, Lincoln County, Wisconsin ("City"), is presently in need of funds aggregating $1,065,000 for public purpose of financing acquisition of buses in anticipation of grant funding; and

WHEREAS, the Council deems it necessary and in the best interests of the City that, pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, the sum of $1,069,000 be borrowed for such purpose(s) upon the terms and conditions hereinafter set forth:

NOW, THEREFORE, BE IT RESOLVED that for the purpose(s) hereinabove set forth the City, by its Mayor, and Clerk, pursuant to Section 67.12(12), Wisconsin Statutes, borrow from First State Bank the sum of $1,065,000, and, to evidence such indebtedness, said Mayor and City Clerk shall make, execute and deliver to the Lender for and on behalf of the City the promissory note of the City to be dated October 20, 2020, in said principal amount with interest at the rate of ninety-five hundredths percent (0.95%) per annum and payable as follows:

In one payment on March 1, 2021, plus interest payable as set forth below.

Interest is computed for the actual number of days principal is unpaid on the basis of a 360 day year. Said interest to be payable on the dates set forth above on the outstanding principal balance, with prepayment privileges on any date on or after October 20, 2020. A copy of the promissory note shall be attached to this resolution.

BE IT FURTHER RESOLVED, that there be, and there hereby is, levied on all the taxable property of the City, a direct annual irrepealable tax sufficient in amount to pay the principal and interest on said note as the same becomes due and payable, said tax to be in the following minimum amounts:

$1,068,625.44 due on March 1, 2021 for the year 2020.

If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said note when due, the requisite amount shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

In the event that the City exercises its prepayment privilege, if any, then no such direct annual tax shall be included on the tax rolls for the prepayments made and the amount of direct annual tax hereinabove levied shall be reduced accordingly for the year or years with respect to which said note was prepaid.

In each of said levy years, the direct annual tax so levied shall be carried into the tax rolls each year and shall be collected in the same manner and at the same time as other taxes of the City for such years are collected; provided, that the amount of tax carried into the tax roll may be reduced in any year by the amount of any surplus in the debt service account for the note. So long as any part of the principal of, or interest on, said note remains unpaid, the proceeds of said tax shall be segregated in a special fund used solely for the payment of the principal of, and interest on, said note.

BE IT FURTHER RESOLVED, that there be and there hereby is established in the treasury of the City, if one has not already been established, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. There shall be deposited in said account any accrued interest paid on said note at the time it is delivered to the Lender, all money raised by taxation or appropriated pursuant hereto, and such other sums as may be necessary to pay principal and interest on said note when the same shall become due.

BE IT FURTHER RESOLVED, that the proceeds of said note shall be used solely for the purposes for which it is issued, but may be temporarily invested until needed in legal investments, provided that no such investment shall be in such a manner as would cause said note to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or the Regulations of the Commissioner of Internal Revenue there-under; and an officer of the City, charged with the responsibility for issuing the note, shall certify by use of an arbitrage certificate, if required, that, on the basis of the facts, estimates and circumstances in existence on the date of the delivery of the note, it is not expected that the proceeds will be used in a manner that would cause said note to be an "arbitrage bond".

BE IT FURTHER RESOLVED, that the projects financed by the note and their ownership, management and use will note cause the note to be a "private activity bond" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended, and that the City shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the note.

BE IT FURTHER RESOLVED, that the City Clerk shall keep records for the registration and for the transfer of the note. The person in whose name the note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on the note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid. The note may be transferred by the registered owner thereof by presentation of the note at the office of the City Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his legal representative duly authorized in writing. Upon such presentation, the note shall be transferred by appropriate entry in the registration records and a similar notation, including date of registration, name of new registered owner and signature of the City Clerk, shall be made on such note.

BE IT FURTHER RESOLVED, that the note is hereby designated as a "qualified tax-exempt obligation" for purposes of Section 265 of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income, for federal income tax purposed, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

BE IT FURTHER RESOLVED, that the City officials are hereby authorized and directed, so long as said note is outstanding, to deliver the Lender any audit statement or other financial information the Lender may reasonably request and to discuss its affairs and finances with the Lender.

BE IT FURTHER RESOLVED, that said note shall be delivered to the Lender on or after the date of said note, upon receipt of the total principal amount of the loan evidenced thereby, plus accrued interest, if any, to date of delivery, provided that, if this is a refinancing, the refunding note shall be immediately exchanged for the note being refinanced.

6. A Resolution introduced by Mayor Woellner regarding the use of face masks.

WHEREAS, the United States Center for Disease Control (CDC) updated their webpage, "How Coronavirus Spreads," on October 5th, 2020, stating:

COVID-19 most commonly spreads during close contact.

- People who are physically near (within 6 feet) a person with COVID-19 or have direct contact with that person are at greatest risk of infection.
- When people with COVID-19 cough, sneeze, sing, talk, or breathe they produce respiratory droplets. These droplets can range in size from larger droplets (some of which are visible) to smaller droplets. Small droplets can also form particles when they dry very quickly in the airstream.
- Infections occur mainly through exposure to respiratory droplets when a person is in close contact with someone who has COVID-19.
- Respiratory droplets cause infection when they are inhaled or deposited on mucous membranes, such as those that line the inside of the nose and mouth.

- As the respiratory droplets travel further from the person with COVID-19, the concentration of these droplets decreases. Larger droplets fall out of the air due to gravity. Smaller droplets and particles spread apart in the air.
- With passing time, the amount of infectious virus in respiratory droplets also decreases.

COVID-19 can sometimes be spread by airborne transmission

- Some infections can be spread by exposure to virus in small droplets and particles that can linger in the air for minutes to hours. These viruses may be able to infect people who are further than 6 feet away from the person who is infected or after that person has left the space.
- This kind of spread is referred to as airborne transmission and is an important way that infections like tuberculosis, measles, and chicken pox are spread.
- There is evidence that under certain conditions, people with COVID-19 seem to have infected others who were more than 6 feet away. These transmissions occurred within enclosed spaces that had inadequate ventilation. Sometimes the infected person was breathing heavily, for example while singing or exercising.
- Under these circumstances, scientists believe that the amount of infectious smaller droplet and particles produced by the people with COVID-19 became concentrated enough to spread the virus to other people. The people who were infected were in the same space during the same time or shortly after the person with COVID-19 had left.
- Available data indicate that it is much more common for the virus that causes COVID-19 to spread through close contact with a person who has COVID-19 than through airborne transmission.

COVID-19 spreads less commonly through contact with contaminated surfaces.

- Respiratory droplets can also land on surfaces and objects. It is possible that a person could get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or eyes.
- Spread from touching surfaces is not thought to be a common way that COVID-19 spreads."; and,

WHEREAS, the CDC also states on their "Cloth Face Cover Guidance" webpage update August 7th, 2020:

"Masks are recommended as a simple barrier to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the mask coughs, sneezes, talks, or raises their voice. This is called source control. This recommendation is based on what we know about the role respiratory droplets play in the spread of the virus that causes COVID-19, paired with emerging evidence from clinical and laboratory studies that shows masks reduce the spray of droplets when worn over the nose and mouth. COVID-19 spreads mainly among people who are in close contact with one another (within about 6 feet), so the use of masks is particularly important in settings where people are close to each other or where social distancing is difficult to maintain."

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN this 13th day of October, 2020, that all citizens are urged to familiarize themselves with and to follow the current guidelines from the CDC by visiting the following webpage

The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Corporate Purpose Bonds, Series 2020C"; shall be issued in the aggregate principal amount of $3,430,000; shall be dated November 17, 2020; shall be in the denomination of $5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on May 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on May 1 and November 1 of each year commencing on May 1, 2021. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 2A. Designation of Maturities. For purposes of State law, the Bonds are designated as being issued to pay and discharge the debts incurred by the City through the issuance of the Refunded Obligations and debts refunded by the Refunded Obligations in the order in which those debts were incurred, so that the Bonds of the earliest maturities are considered to be issued to discharge the debts which were incurred first.

Section 3. Redemption Provisions. The Bonds maturing on May 1, 2029 and thereafter are subject to redemption prior to maturity, at the option of the City, on May 1, 2028 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the City, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

The Proposal specifies that the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be as set forth on Exhibit MRP attached hereto and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the City shall direct.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the City are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the City a direct annual irrepealable tax in the years 2020 through 2039 for the payments due in the years 2021 through 2040 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Corporate Purpose Bonds, Series 2020C, dated November 17, 2020" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Bonds; (ii) any premium not used for the Refunding which may be received by the City above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium not used for the Refunding and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the City and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds and the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 12. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the City's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The City hereby authorizes the Mayor and City Clerk or other appropriate officers of the City to enter a Fiscal Agency Agreement between the City and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Bonds.

Section 13. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 14. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the City Clerk or other authorized representative of the City is authorized and directed to execute and deliver to DTC on behalf of the City to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the City Clerk's office.

Section 16. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of the proceeds of the Bonds allocable to the payment of issuance expenses to Old National Bank at Closing for further distribution as directed by Ehlers.

Section 17. Official Statement. The Common Council hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate City official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 18. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Mayor and City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 19. Redemption of the 2013 Notes. The 2013 Notes are hereby called for prior payment and redemption on December 1, 2020 at a price of par plus accrued interest to the date of redemption.

The City hereby directs the City Clerk to work with Ehlers to cause timely notice of redemption, in substantially the form attached hereto as Exhibit F and incorporated herein by this reference (the "Notice"), to be provided at the times, to the parties and in the manner set forth on the Notice. Any and all actions heretofore taken by the officers and agents of the City to effectuate the redemption of the 2013 Notes are hereby ratified and approved.

Section 20. Redemption of the December 2019 Loan, the March 2020 Loan and the June 2020 Loan. The December 2019 Loan, the March 2020 Loan and the June 2020 Loan are hereby called for prior payment and redemption on January 4, 2021 at a price of par plus accrued interest to the date of redemption.

The City hereby directs the City Clerk to take all actions necessary for the redemption of the December 2019 Loan, the March 2020 Loan and the June 2020 Loan on their redemption date. Any and all actions heretofore taken by the officers and agents of the City to effectuate such redemption are hereby ratified and approved.

Section 21. Redemption of the 2020A Note. The 2020A Note is hereby called for prior payment and redemption on November 18, 2020 at a price of par plus accrued interest to the date of redemption.

The City hereby directs the City Clerk to take all actions necessary for the redemption of the 2020A Note on its redemption date. Any and all actions heretofore taken by the officers and agents of the City to effectuate such redemption are hereby ratified and approved.

Section 22. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 23. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 24. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

2. A Resolution authorizing the issuance and establishing parameters for the sale of not to exceed $4,550,000 Tax Increment Revenue Refunding Bonds (TID 3), Series 2020D (Resolution #2661).

WHEREAS, Tax Incremental District No. 3 ("TID 3") has been established by the City of Merrill, Lincoln County, Wisconsin (the "City") as a mixed use district for the purpose of promoting a combination of commercial, industrial and residential development within the City;

WHEREAS, the commercial, industrial and residential development within TID 3 constitutes a revenue-producing enterprise of the City which is operated for a public purpose and constitutes a "public utility" within the meaning of Section 66.0621, Wis. Stats.;

WHEREAS, in order to finance project costs in the project plan for TID 3, the City previously issued its (i) Tax Increment Revenue Bond (TID No. 3), Series 2017A, dated October 10, 2017 (the "2017 Bond"), (ii) Tax Increment Revenue Bond (TID No. 3), Series 2018C, dated October 23, 2018 (the "2018 Bond") and (iii) Note Anticipation Notes, Series 2019B, dated October 30, 2019 (the "2019 NAN")(collectively, the 2017 Bond, the 2018 Bond and the 2019 NAN shall be referred to herein as the "Refunded Obligations");

WHEREAS, the City has determined that it is necessary and desirable to refinance the 2019 NAN which matures on December 1, 2020 for the purpose of providing permanent financing for the projects financed by the 2019 NAN and to refinance the 2017 Bond and the 2018 Bond for the purpose of achieving debt service savings (collectively, the "Refunding");

WHEREAS, the City has determined that it is necessary, desirable and in the best interest of the City to raise the funds needed to accomplish the Refunding by issuing Tax Increment Revenue Refunding Bonds (TID 3), Series 2020D pursuant to Section 66.0621, Wis. Stats., (the "Bonds");

WHEREAS, other than the 2017 Bond, the 2018 Bond (both of which will be refunded by the Bonds) and the Development Incentives (defined in Section 4), no bonds or obligations payable from the Revenues are now outstanding;

WHEREAS, it is the finding of the Common Council that it is necessary, desirable, and in the best interest of the City to authorize the issuance of and to sell the Bonds to D.A. Davidson & Co. (the "Purchaser") and to direct its municipal advisor, Ehlers & Associates, Inc. ("Ehlers"), to take the steps necessary for the City to offer and sell the Bonds, and

WHEREAS, in order to facilitate the sale of the Bonds in a timely manner, the Common Council hereby finds and determines that it is necessary, desireable and in the best interest of the City to delegate to the Finance Director-Treasurer or the City Clerk of the City (each an "Authorized Officer") the authority to accept a Bond Purchase Agreement in substantially the form attached hereto as Exhibit A for the purchase of the Bonds (the "Proposal") on behalf of the City so long as the Proposal meets the terms and conditions set forth in this Resolution by executing the Approving Certifcate in substantially the form attached hereto as Exhibit B and incorporated herein by this reference (the "Approving Certificate").

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City:

Section 1. Authorization and Sale of the Bonds; Purchase Price. For the purpose of paying the costs of Refunding, the City is authorized to borrow the principal sum of not to exceed FOUR MILLION FIVE HUNDRED FIFTY THOUSAND DOLLARS ($4,550,000) from the Purchaser upon the terms and subject to the conditions set forth in this Resolution. Subject to satisfaction of the condition set forth in Section 2 of this Resolution, the Mayor and City Clerk are hereby authorized, empowered and directed to make, execute, issue and sell to the Purchaser for, on behalf of and in the name of the City, Bonds in a principal amount of not to exceed FOUR MILLION FIVE HUNDRED FIFTY THOUSAND DOLLARS ($4,550,000). The purchase price to be paid to the City for the Bonds shall not be less than 99% of the principal amount of the Bonds.

Section 2. Condition on Issuance and Sale of the Bonds; Authorization of the Proposal. The issuance of the Bonds and the sale of the Bonds to the Purchaser is subject to approval by an Authorized Officer of the principal amount, definitive maturities, mandatory redemption provisions, interest rates and purchase price for the Bonds, which approval shall be evidenced by execution of the Approving Certificate. The Bonds shall not be issued, sold or delivered until this condition is satisfied.

The provisions and terms included in the Proposal attached hereto are hereby approved. Subject to satisfaction of the conditions above, the Authorized Officer is hereby authorized to execute the Proposal (with such insertions or deletions as the City Attorney or Bond Counsel deems are consistent with this Resolution) with the Purchaser providing for the sale of the Bonds to the Purchaser. The Authorized Officer is hereby authorized to execute and deliver any documents or take any other actions required under the Proposal to effectuate the issuance and sale of the Bonds. The City hereby states that all representations in Section 5 of the Proposal are true and correct.

Section 3. Terms of the Bonds. The Bonds shall be designated "Tax Increment Revenue Refunding Bonds (TID 3), Series 2020D"; shall be issued in the aggregate principal amount of up to $4,550,000; shall be dated as of their date of issuance; shall be in the denomination of $5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall mature or be subject to mandatory redemption on October 1 of each year beginning in 2021 and ending no later than the year 2026 in the principal amounts set forth below; provided that the principal amount of each maturity or mandatory redemption amount may be increased or decreased by up to $100,000 per maturity or mandatory redemption amount and that the aggregate principal amount of the Bonds shall not exceed $4,550,000. The schedule below assumes the Bonds are issued in the aggregate principal amount of $4,395,000.

Year	Amount
2021	$635,000
2022	635,000
2023	650,000
2024	665,000
2025	680,000
2026	1,130,000

Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2021 (each, a "Bond Payment Date"). The schedule of principal and interest payments due on the Bonds on each Bond Payment Date shall be set forth in the Approving Certificate. The true interest cost on the Bonds (computed taking the Purchaser's compensation into account) will not exceed 2.75%. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

The schedule of maturities or mandatory redemptions is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices and will be confirmed in the Approving Certificate.

The Common Council hereby determines that the Refunding is advantageous and necessary to the City.

The Bonds shall not be subject to optional redemption prior to maturity.

If the Proposal specifies that certain of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment to the Approving Certificate labeled as Exhibit MRP.

Section 4. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the City nor a charge against its general credit or taxing power. The Bonds are limited obligations of the City and shall be payable only out of the Special Redemption Fund as hereinafter provided, and shall be a valid claim of the owner thereof only against the Special Redemption Fund (including the Reserve Account) and from the Revenues (defined below) pledged to such fund.

The Bonds shall be payable solely from (a) Available Tax Increment which has been received and retained by the City in accordance with the provisions of Section 66.1105 of the Wisconsin Statutes and appropriated by the Common Council to the payment of the Bonds and (b) any other funds of the City appropriated by the Common Council for payment of the Bonds as provided in Section 5 below (hereinafter referred to collectively as "Revenues").

"Available Tax Increment" means an amount equal to the annual gross tax increment revenue actually received and retained by the City which is generated by the increment value of the property in TID 3.

If TID 3 is terminated earlier than the final maturity date of the Bonds as a result of the repeal or amendment of Section 66.1105, Wisconsin Statutes, or for any other reason beyond the control of the City, and the Bonds, after applying all funds in the Special Redemption Fund (including the Reserve Account), remain outstanding and unpaid, then the remaining outstanding Bonds shall be deemed paid in full, it being understood that upon such termination of TID 3, the obligation of the City to make any further payments on the Bonds shall also terminate. The City shall have no obligation to pay any amount of the Bonds which remains unpaid upon termination of TID 3 and the owner or owners of the Bonds shall have no right to receive payment of such amounts.

The City has various development agreements in place which require the City to pay cash incentive payments to private developers (the "Development Incentives") out of Available Tax Increment (defined herein) and those Development Incentives shall have a claim on Available Tax Increment on a basis junior and subordinate to that of the Bonds.

Section 5. Statement of Intent to Appropriate. As stated above, the application of the Available Tax Increment to payment of the Bonds is subject to future annual appropriation by the Common Council. However, the City fully expects and anticipates that to the extent the Available Tax Increment is generated and received by the City, it will appropriate such Available Tax Increment to the payment of the principal of and interest on the Bonds.

The Common Council acknowledges that Available Tax Increment may not be sufficient to pay all debt service on the Bonds as it becomes due and the City makes no representation or covenant, express or implied, that Available Tax Increment will be generated or that it will be sufficient to pay, in whole or in part, the Bonds. The City hereby declares that it fully expects and anticipates that, if such a shortfall occurs, it will appropriate funds from other available revenues of the City sufficient to fund any such shortfall, provided, however, that such payment shall be subject to annual appropriation by the Common Council.

Section 6A. Funds and Accounts. When the Bonds shall have been delivered in whole or in part, the Revenues shall be set aside into the Special Redemption Fund created by a resolution adopted September 27, 2017 in the order of priority listed below, which funds are hereby created, to be used and applied as described below:

Revenues in amounts sufficient to pay the principal of and interest on the Bonds coming due in the calendar year shall be set aside into the "Special Redemption Fund," to be applied to the payment of the principal of and interest on the Bonds. The monies standing in the Special Redemption Fund are irrevocably pledged to the payment of principal of and interest on the Bonds. On each Bond Payment Date, the City shall apply the Revenues on deposit in the Special Redemption Fund to the payment due on the Bonds.

The minimum amounts to be so deposited for debt service on the Bonds will be set forth on a schedule to be attached to the Approving Certificate.

The Special Redemption Fund shall be used for no purpose other than the payment of interest upon and principal of the Bonds promptly as the same become due and payable. All money in the Special Redemption Fund shall be deposited in a special account and invested in legal investments subject to Section 66.0603(1m), Wisconsin Statutes, and the payments required to be made to the Special Redemption Fund shall be made directly to such account.

To additionally secure the payment of principal of and interest on the Bonds, an account designated the "Reserve Account" is hereby established within the Special Redemption Fund. The City shall, upon the issuance of the Bonds, deposit an amount equal to the Reserve Requirement into the Reserve Account, and an amount equal to the Reserve Requirement shall be maintained in the Reserve Account until the earlier of (a) the date in which the Bonds have been paid in full or (b) the final Bond Payment Date.

"Reserve Requirement" means an amount, determined as of the date of issuance of the Bonds, equal to the least of (a) 10% of the stated principal amount of the Bonds (to the extent permitted pursuant to Section 148(d)(1) of the Code and Regulations); (b) the maximum annual debt service on the Bonds in a calendar year; and (c) 125% of average annual debt service on the Bonds.

If on any Bond Payment Date there shall be insufficient funds in the Special Redemption Fund to pay the principal of and/or interest due on the Bonds, funds in the Reserve Account shall be applied to such payment. If after application of all of the funds in the Reserve Account there remain insufficient funds, the amount due but not paid shall accumulate, with interest at the rates payable on the Bonds, and be payable on the next Bond Payment Date until the final Bond Payment Date.

Any funds remaining on deposit in the Reserve Account shall be applied to payment of the Bonds on the final Bond Payment Date or upon earlier termination of TID 3 (as described in Section 4 above). If after applying all funds in the Reserve Account on the final Bond Payment Date, or upon earlier termination of TID 3, there remain amounts outstanding and unpaid on the Bonds, then the remaining balance of principal of and interest on the Bonds shall be deemed paid in full, it being understood that upon making the payment due on the final Bond Payment Date, or upon earlier termination of TID 3, the obligation of the City to make any further payments on the Bonds shall terminate. The City shall have no obligation to pay any amount of principal or interest on the Bonds which remains unpaid after the final Bond Payment Date or upon earlier termination of TID 3 and the owner of the Bonds shall have no right to receive payment of such amounts.

Subject to future annual appropriation by the Common Council, the City covenants and agrees that at any time that the Reserve Account is drawn on and the amount in the Reserve Account shall be less than the Reserve Requirement, the Common Council will apply Revenues to be deposited into the Reserve Account until the Reserve Requirement will again have accumulated in the Reserve Account. No such payments need be made into the Reserve Account at such times as the monies in the Reserve Account are equal to the highest remaining annual debt service requirement on the Bonds in any calendar year. If at any time the amount on deposit in the Reserve Account exceeds the Reserve Requirement, the excess shall be transferred to the Special Redemption Fund and used to pay principal and interest on the Bonds. If for any reason there shall be insufficient funds on hand in the Special Redemption Fund to meet principal or interest becoming due on the Bonds, then all sums then held in the Reserve Account shall be used to pay the portion of interest or principal on such Bonds becoming due as to which there would otherwise be default, and thereupon the payments required by this paragraph shall again be made into the Reserve Account until an amount equal to the Reserve Requirement is on deposit in the Reserve Account.

Section 6B. Application of Revenues to Payment of the Bonds. On or before each Bond Payment Date, the City shall deposit the Revenues which have been appropriated by the Common Council for the payment of the principal of and interest on the Bonds in the Special Redemption Fund (including the Reserve Account). On each Bond Payment Date, the funds in the Special Redemption Fund shall be applied first to the payment of interest due on the Bond Payment Date and then to the payment of any principal due on that Bond Payment Date.

Section 7. City Covenants. It is covenanted and agreed by the City with the owner or owners of the Bonds, and each of them, that:

(1) If the City's proposed annual budget does not in any year provide for the appropriation of Available Tax Increment in an amount sufficient to make the principal and interest payments coming due on the Bonds in that year, the City will notify the owner or owners of the Bonds of that fact (in the same manner as provided in the Undertaking defined in Section 24) at least 10 days before the Common Council vote on the budget;

(2) In any year that debt service on the Bonds is due, if the Common Council does not appropriate funds in an amount sufficient to pay such payments in full, the City will not apply Available Tax Increment to any purpose other than for payment of the Bonds until the earlier of (1) January 1 of the calendar year following the year such payments are due or (2) the date the City deposits funds into the Special Redemption Fund in an amount sufficient to pay the payment coming due that same year on the Bonds. After such time has expired, the City may apply Available Tax Increment for any lawful purpose;

(3) In any year that the Common Council appropriates Available Tax Increment to the payment of the Bonds, the City will not apply Available Tax Increment for any purpose other than payment on the Bonds until the earlier of (1) January 1 of the calendar year following the year such payments are due or (2) the date the City deposits funds into the Special Redemption Fund in an amount sufficient to pay the payment coming due that same year on the Bonds. After such time has expired, the City may apply Available Tax Increment for any lawful purpose;

(4) The City will not issue bonds or obligations payable from Available Tax Increment in such manner as to enjoy priority over the Bonds. Additional obligations may be issued or incurred if their lien and pledge of the Available Tax Increment is junior and subordinate to that of the Bonds; and

(5) The City will take no action, other than action required under Wisconsin Statutes, to terminate TID 3 prior to the payment in full of the Bonds.

Section 8. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit C and incorporated herein by this reference.

Section 9. Application of Bond Proceeds. All accrued interest received from the sale of the Bonds shall be deposited into the Special Redemption Fund. An amount of proceeds of the Bonds equal to the Reserve Requirement shall be deposited in the Reserve Account. An amount of proceeds of the Bonds sufficient to provide for the payment of the Refunded Obligations shall be deposited in a special account designated the "Refunding Fund" for that purpose. The balance of the proceeds, less the expenses incurred in authorizing, issuing and delivering the Bonds, shall be transferred to the Special Redemption Fund for use in payment of principal of and interest on the Bonds.

Section 10. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except:

(1) The City may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and

(2) This Resolution may be amended, in any respect, with the written consent of the owners of not less than two-thirds of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the City; provided, however, that no amendment shall permit any change in the pledge of Available Tax Increment, or in the maturity of the Bonds issued hereunder, or a reduction in the rate of interest on any Bonds, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 11. Defeasance. When all Bonds have been discharged, all pledges, liens, covenants and other rights granted to the owners thereof by this Resolution shall cease. The City may discharge all Bonds due on any date by depositing into a special account on or before that date a sum sufficient to pay the same in full; or if any Bonds should not be paid when due, it may nevertheless be discharged by depositing into a special account a sum sufficient to pay it in full with interest accrued from the due date to the date of such deposit. The City, at its option, may also discharge all Bonds called for redemption on any date when they are prepayable according to their terms, by depositing into a special account on or before that date a sum sufficient to pay them in full, with the required redemption premium, if any, provided that notice of redemption has been duly given as required by this Resolution. The City, at its option, may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the City's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the City's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for. Upon such payment or deposit, in the amount and manner provided by this Section, all liability of the City with respect to the Bonds shall cease, terminate and be completely discharged, and the owners thereof shall be entitled only to payment out of the money so deposited.

Section 12. Investments and Arbitrage. Monies accumulated in any of the funds and accounts referred to in Sections 6A and 9 hereof which are not immediately needed for the respective purposes thereof, may be invested in legal investments subject to the provisions of Sec. 66.0603(1m), Wisconsin Statutes, until needed. All income derived from such investments shall be credited to the fund or account from which the investment was made; provided, however, that at any time that the Reserve Requirement is on deposit in the Reserve Account, any income derived from investment of the Reserve Account shall be deposited into the Special Redemption Fund and used to pay principal and interest on the Bonds. A separate banking account is not required for each of the funds and accounts established under this Resolution; however, the monies in each fund or account shall be accounted for separately by the City and used only for the respective purposes thereof. The proceeds of the Bonds shall be used solely for the purposes for which they are issued but may be temporarily invested until needed in legal investments. No such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations.

An officer of the City, charged with the responsibility for issuing the Bonds, shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Bonds are not "arbitrage bonds" under Section 148 of the Code or the Regulations.

Section 13. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the City and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 10, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the City, the governing body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the City, its governing body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the City agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the City Clerk or other authorized representative of the City is authorized and directed to execute and deliver to DTC on behalf of the City to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the City Clerk's office.

Section 15. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Bond Trust Services Corporation, Roseville, Minnesota, which is hereby appointed as the City's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The City hereby authorizes the Mayor and City Clerk or other appropriate officers of the City to enter a Fiscal Agency Agreement between the City and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Bonds.

Section 16. Persons Treated as Owners; Transfer of Bonds. The City shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 17. Compliance with Federal Tax Laws. (a) The City represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

The foregoing covenants shall remain in full force and effect, notwithstanding the defeasance of the Bonds, until the date on which all of the Bonds have been paid in full.

Section 18. Designation as Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 19. Payment of 2019 NAN. The 2019 NAN will be paid on its December 1, 2020 maturity date.

Section 20. Redemption of the 2017 Bond and the 2018 Bond. Subject to the Bonds being issued, the 2017 Bond and the 2018 Bond are hereby called for prior payment on such date or dates as identified by the Authorized Officer on the Approving Certificate at the price of par plus accrued interest to the date of redemption.

The City Clerk is hereby directed to cause all actions necessary for the redemption of the 2017 Bond and the 2018 Bond on their redemption date. All actions heretofore taken by the officers and agents of the City in furtherance of the redemption of the 2017 Bond and the 2018 Bond are approved.

Section 21. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the City at the close of business on the Record Date.

Section 22. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of the proceeds of the Bonds allocable to the payment of issuance expenses to Old National Bank at Closing for further distribution as directed by Ehlers.

Section 23. Official Statement. The Common Council hereby directs the Authorized Officer to approve the Preliminary Official Statement with respect to the Bonds and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officer or other officers of the City in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the closing of the Bonds, the appropriate City official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The City Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 24. Undertaking to Provide Continuing Disclosure. The City hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the City to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Mayor and City Clerk, or other officer of the City charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the City's Undertaking.

Section 25. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 26. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the City are authorized to take all actions necessary to obtain such municipal bond insurance. The Mayor and City Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Mayor and City Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 27. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, authenticated, if required, by the Fiscal Agent, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 28. Severability of Invalid Provisions. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining sections, paragraphs and provisions of this Resolution.

Section 29. Conflicting Ordinances or Resolutions. All prior ordinances, resolutions, rules, or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage.

Merrill Budget Committee Members and Merrill City Council Members:

We are looking to continue our partnership with the City of Merrill by requesting funding in the amount of $1,000 per year to maintain the Park City Gardens needs such as soil, mulch, fertilizer, etc. We plant and maintain 21 flower gardens in the city.

We are fortunate to have so many businesses, civic organizations, and individuals that support our efforts to beautify our city.

Thank you for your consideration of our budget request.

On behalf of the River District Development Foundation of Merrill, I respectfully request that the annual donation of $1000 paid to the River District Development Foundation be included in the 2021 City of Merrill budget. This money will be used to continue to improve the River Bend Trail and contribute toward continuation of the trail to the west. The trail continues to be popular with Merrill citizens and visitors to our community. We greatly appreciate the financial assistance and look forward to continued cooperation between the River District Development Foundation and the City of Merrill.

Dear Ms. Unertl,

The 2020 Merrill City Band concert season was canceled due to COVID-19. We are hoping to be back in action next summer, but everything will depend on what's happening with the virus and a vaccine. We're crossing our fingers.

Though our concert season was canceled, we still have a few annual expenses. Our budget request for next year is to cover those expenses incurred. Assuming we have a season next year, we will be back with a full budget request for 2022.

673.00	Insurance (Equipment only; $300 in liability waived for this year)
64.00	PO Box
290.00	Association of Concert Band Membership, including blanket ASCAP and BMI licensing
100.00	Hometown Concert Broadcast
55.22	MCB Historical Photos
60.00	Gazebo Flower Basket
$1242.22	**Total Request for 2021**

Under normal circumstances, our budget request would have been $14,000. We would like to encourage the city to put the $12,757.78 that we are not requesting toward Normal Park improvements.

Please contact me if you have any questions regarding our budget request.

Thank you.

Sincerely,

Linda Becker

Dear Ms. Unertl and Mr. Hass:

On behalf of the Merrill Historical Society, I would like to thank the City for its ongoing support and generosity. The Society understands and appreciates the continued constraints of the city budget, and we appreciate your past commitment to our important community organization.

The Society has once again been able to raise significant funding in order to replace the American Legion Collections Center with proper and climate-controlled storage for our irreplaceable and valuable artifacts and documents by an addition to our current History & Culture Center. This means that all of our holdings will be under one roof, allowing us to more efficiently and economically serve the community through our programs, exhibits and research libraries.

The Society has seen growth over the past year in the number of visitors to the Museum, including many groups and visitors from outside our local community, as existence of this quality resource is shared by word of mouth and social media. We have supplied many local business with photos to put local Merrill history "on the wall". We have worked with TB Scott Library and community committees to add signage on the Riverbend Trail and parks to mark and share the history of our town.

The Merrill Historical Society's History & Culture Center has proven itself as a community resource and a growing marketing attraction for the City of Merrill. We are partners, and to continue to maintain and enhance this resource, your support is necessary. It takes funds to maintain a superior level of service to the community as we collect and put together exhibits that invoke a thoughtful approach to our roots and our future. We ask your approval of our grant request for 2021 in the amount of $7,000.

Sincerely,

Patricia Burg

Merrill, WI, 54452

Dear Kathy,

As Judy has explained in previous budget requests, Lincoln County has ranked second highest in the state with 22% of th public disclosing four or more ACEs (adverse childhood experiences). Research has indicated that individuals with four o more ACEs are at higher risk of physical and mental unwellness. A sample of the ACE questionnaire has been provided for your review.

In 2019, 177 of the 296 people supported by HAVEN have experienced both sexual assault and domestic violence in their lifetime. That is 60% of our clients. In 2018, 55% of our clients reported as dual victims and in 2017, 44% reported as dual victims.

Our sheltering program is essential for Lincoln County. We support victims fleeing from domestic violence and/or sexual assaults by offering them safe housing for themselves and their children. Once the residents become comfortable with the advocates, we discover those who seek shelter have a lifetime of adverse childhood experiences including: molestation, witnessing domestic violence as children, parent/guardians with mental health/substance abuse issues, physical/emotional child abuse, and poverty.

Children who live with trauma develop coping skills to help them survive. Aggressive behaviors, emotional problems, chemical dependency, role reversal between the child and parent, employment issues and weak/unhealthy interpersonal skills are common traits for the adults we support.

When people come to the shelter, individually or with their child(ren), we see trauma coping skills in the grown up but also being developed within the children. Throughout the years, we have also noticed that residents lack the basic life skills to successfully live on their own. This prompted a shift in our sheltering program to better prepare residents for life outside of the shelter.

HAVEN has gone through a transformation internally to strengthen its advocacy for people who have experienced abuse. Our advocates are highly trained to work with victims of trauma. We know that listening and validating their experiences will help them overcome the shame associated with their abuse. We want to gain their trust to help them work through years of buried pain. HAVEN advocates and volunteers are dedicated to mentoring those we support by teaching them topics including but not limited to: healthy communication/relationships, conflict resolution, cooking on a budget, cleaning, and community resources available to help meet their needs. We understand this journey toward selfsustainability can take time but there are many compassionate people and agencies within Lincoln County who will assist and support HAVEN clients in breaking the cycle of violence.

HAVEN appreciates the City of Merrill's continued support and is requesting $7,000 for the budget allocation of 2021. I am also including the HAVEN client service statistics for 2019 and an information wheel on the coping skills developed by children living in trauma.

If you are interested in learning more about our services or have further questions, please feel free to connect with me at any time.

Thank you again and I look forward to a healthier, brighter future for all in Lincoln County.

Sincerely,

Ki

Project Name City Garage Parking Lot

Department Streets

Type Improvement
Useful Life 20+ years
Category Parking Lots
Priority 1 Critical

Description

Total Project Cost: $90,000

Replace remaining parking lot at City Streets Garage.

Project deferred from 2020 due to COVID-19.

Justification

This last section of pavement has deteriorated to the point of replacement.

The section of pavement inside the fence is a DNR required storm water retention area. If this pavement is completely failed, contaminated storm water can enter the ground water and rivers. The rough pavement also results in lost salt and sand when loading plow trucks.

The Street Department would remove all existing pavement and grade and prep for paving.
This item was requested but not funded in the 2019 budget.

Project # MAR-21-004

Project Name Airport T-Hangar - Champagne

Department Merrill Municipal Airport
Contact Airport Manager
Type Improvement
Useful Life 20+ years
Category Buildings
Priority 1 Critical

Total Project Cost: $350,000

Description

Construction of new 8-unit T-hangar at Champagne Street terminal area.

Since this is an economic development project, Tax Increment District (TID) No. 11 could be used to offset debt service in additional to lease revenues. Need to amend TID No. 11 plan to include as eligible project.

Justification

Existing 10-unit T-hangar at Airport Road terminal area has been fully leased and there is waiting list for hangar rental space.

Expenditures	2021	2022	2023	2024	2025	Total
Construction/Maintenance	350,000					350,000
Total	350,000					350,000

Funding Sources	2021	2022	2023	2024	2025	Total
Taxable Borrowing-Revenue Offset	350,000					350,000
Total	350,000					350,000

Budget Impact/Other

There would be offsetting revenue from T-hangar lease and aviation fuel sales that would assist in repayment of debt service.

Preliminary Estimate of Eight Unit T Hangar Cost

October 29, 2020

Please note that the following costs and estimates of cost are based on contacts with several contractors and the manufacturer of the T hangar materials kit, and are preliminary in nature

1. Building package to include all materials to construct a fully functioning eight-unit T Hangar, and including eight bi-fold over head, and pass thru doors. 190,000
2. Concrete – to include a one-foot by one-foot perimeter grade beam, with six-inch floor thickness and a four-foot apron along both sides of hangar at the aircraft entry points. 65,000
3. Black top – Approximately 200 feet by 80 feet for taxiway extensions to both sides of the T hangar. 22,000
4. Electrical service – commercial spec equipment to provide a 200-amp service with individual feeds to eight separate aircraft spaces. To include one LED lighting fixture in each space, four outside LED fixtures mounted on the building, and power boxes to eight bi-fold doors. 20,000
5. Erection to include setting of entire steel structure, and installation of metal roof panels and side panels, and hanging of eight aircraft entry doors. 50,760
6. Misc. / unknow expenses. 20,000

-- TOTAL 3**67,750**

This assumes the City will provide excavation/grading of the site, and hauling of excess materials.

Project # P&R-21-025

Project Name Trail-River Bend to Prairie Trails

Department Parks and Recreation
Contact Park & Rec. Director
Type Improvement
Useful Life 20+ years
Category Parks & Recreation
Priority 2 Important

Total Project Cost: $50,000

Description

The Parks & Recreation Department would like to connect two very popular trails systems in our community with a connector trail. We feel that this will add a great deal of functionality to our existing trail systems and continue to connect people to parks and to businesses.

I have already secured permission from Weinbrenner and FreMarq to utilize their property on both ends and the remainder of the trail will be through existing parks and a small portion
we intend to use bike route designation.

Justification

It has been fairly obvious the popularity of trails within our community. Since the inception of the River Bend Trail, the usage of that amenity within our community has been staggering. The same applies for our trails at City Forest, MARC, and Prairie Trails. People want trails and people use trails. By connecting them we can continue to add more function and organization to our trails within our community.

Finance Director Note: The northern portion of proposed route should be further reviewed for overall infrastructure needs. Tax Increment District (TID) No. 7 includes this area.

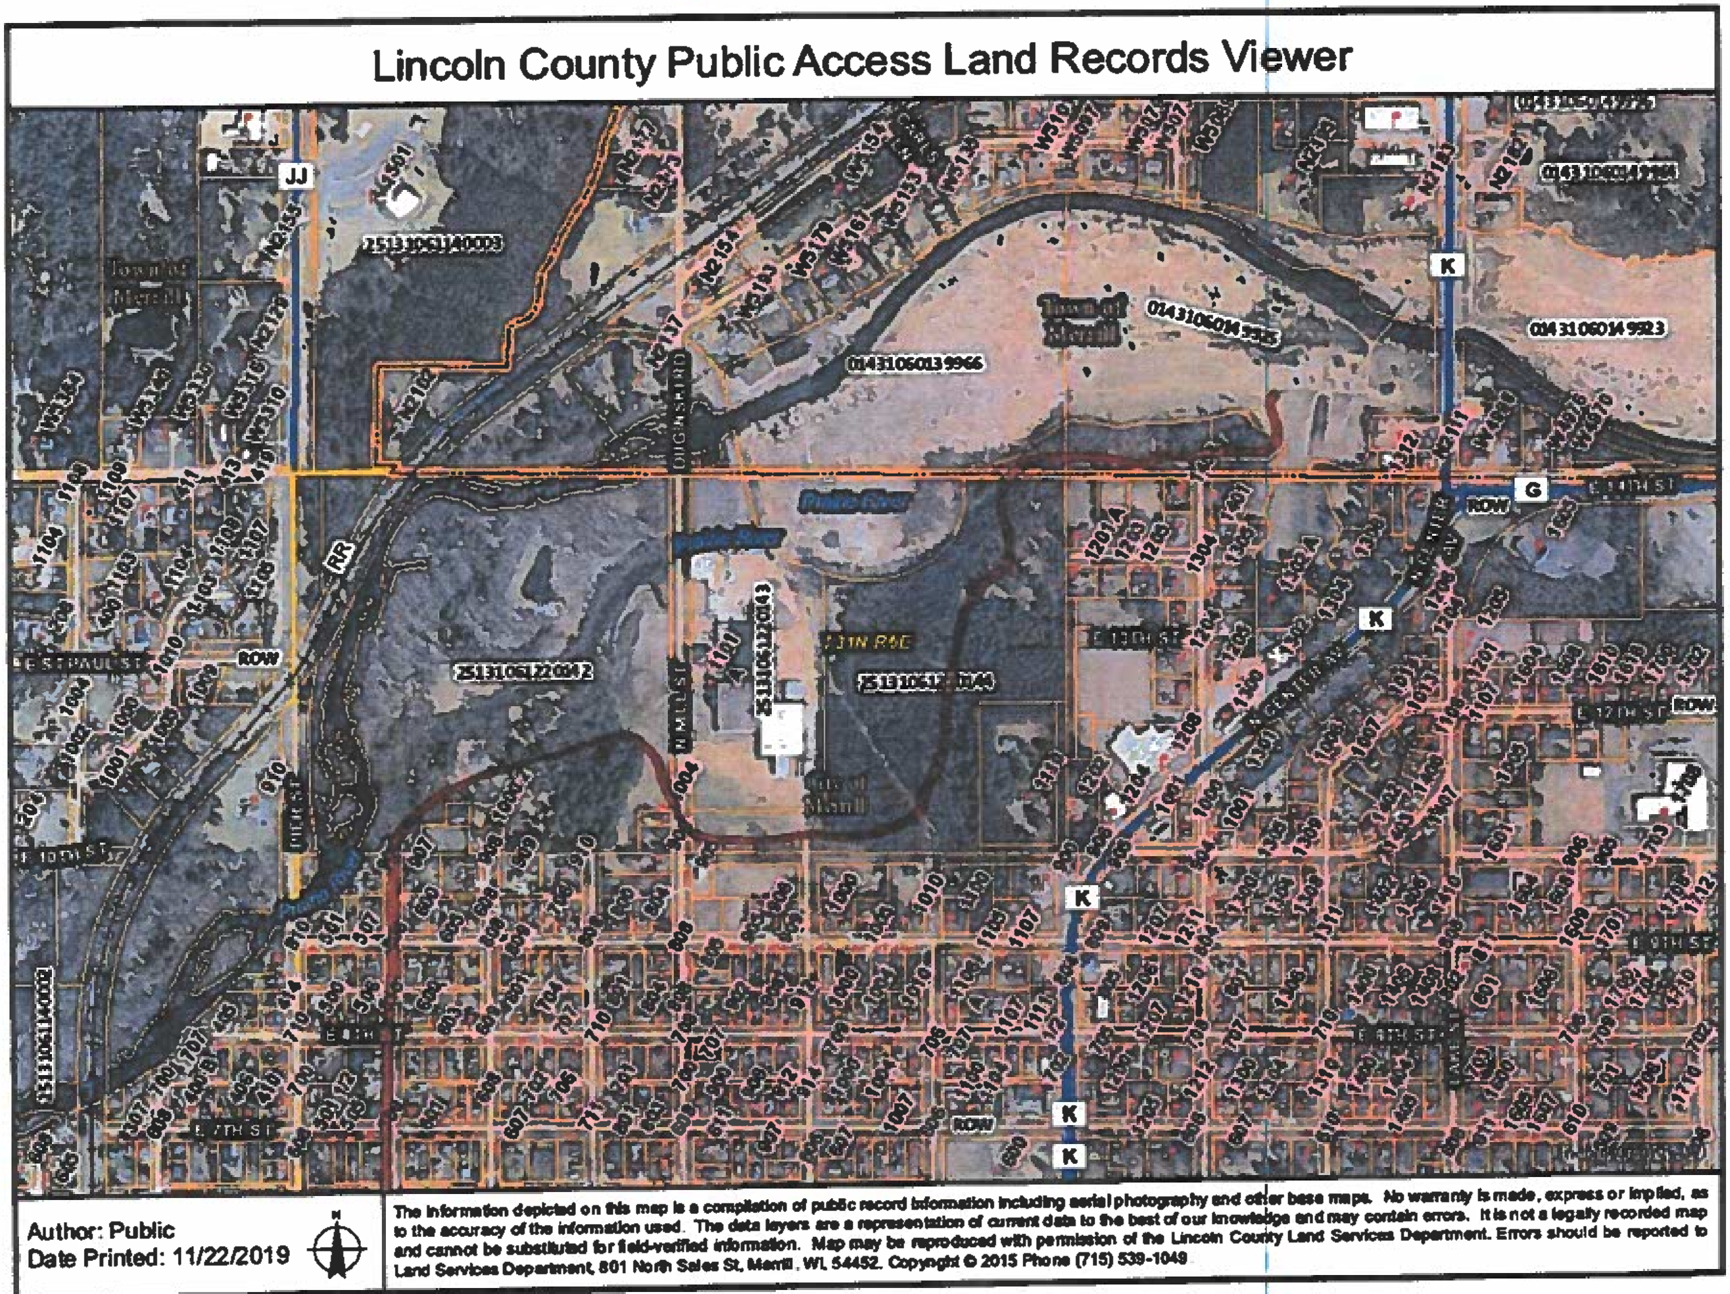
FreMary section of Connector Trail



Prairie River Path (Parkway, Walk,

- Connect Prairie Trails to River Bend Trail
  - Also Connects Prairie Trails to Athletic Park, Lions Park
    Stange Park, ~~#~~ Kitchenette Park, Skate Park
    (Indirectly/directly to the Marc via alt RBT Rout

- Easiest portion will be RBT through Weinbrenner to skate Park - Kitchenette - Stange - Lions - Athlet will most likely have to Alt Route on quiet Roads after Athletic Park on 6th st to get to "Prairie River Properties" (Fredericks) - need permission/easement to take their property to Mill & across commercial property to connect with the western edge of the trail @ Prairie Trails.

- Key areas:
  - Crossing 64 by Kitchenette/Library to Stange
  - 3rd st by bridge/Lions Park - I would jog trail across bric & run trail between Hist. Society & River North to Athleti Park (then either around wall or through alley to Dopan then 6th)
  - From 6th would designate Alt road route (6th to Douglas to 7th to Hendricks North to Prairie River Properties)
  - Crossing @ Pier

- Would like to be close to river & separate trail but property ownership & features will be difficult from Athletic to P. Trails - so most likely way to accomplish is

- Alt Road route to begin

- Funding
  - Stewardship Grant - Rec Trails
  - Community Fdtn - Bierman Fdtn - NPS
  - Local match & donations for segments
  - Adopt segments for businesses &/or organizations

- Many areas are already hardened surfaces, other areas will have to have pavement added to finish path. (Prairie River Properties, portion of stange potentially, skate park area potentially or use sidewalk by Road, W side of Hist Society

- Another linear park with features along the way

  Potential Amenities:
  - Fishing in numerous locations
  - Canoe/Kayak access along Prairie & take outs
  - Disc Golf
  - Naturescape exercise set up somewhere
  - More potential connectivity from Park to Park & also spurs to key locations/businesses
  - Connect to City Forest via PTrails to K to Spring Oak to Heinemann Rd @ City Forest entrance (spring lake less traveled & less curvy)

Total Project Cost: $283,000

Description

Last City reassessments were 1/1/2000 and 1/1/2016.

If Assessment Ratio falls below 90% or above 110% in any major class (such as Residential or Commercial), a reassessment would be required by Wisconsin Department of Revenue. There is about six-years allowed for reassessment if community local assessments fall out of compliance.

Justification

Last reassessments were 1/1/2000 and 1/1/2016. There continues to be increasing variance between sale price and assessments.

Description

Resurfacing of City streets that are not in need of utility work; however, street condition beyond the point of a surface treatment like chip sealing. This may include milling the surface layer of asphalt and laying a new surface coat as well as thin overlays of other streets.

Justification

Current funding levels will not allow us to make enough progress on resurfacing of City streets. We are responsible for 72 miles of streets which means that we should be resurfacing 3-4 miles per year. We are currently completing about 1-2 miles annually as part of larger utility projects which will continue to put us behind schedule.

Project Name Fiber Community Area Network

Department Information Technology

Type Improvement

Useful Life 10+ years

Category Equipment: Computers

Priority 2 Important

Total Project Cost: $950,000

Description

The City of Merrill is participating in the Lincoln County Inter-Networking Consortium (LINC) for potential public-sector fiber network. Core members are Lincoln County, Merrill Area Public Schools, TB Scott Library/Wisconsin Valley Library System, and the City of Merrill whom contracted with Livermore Technologies.

Phase 1 (2017) was the Lincoln County data center consolidation project. City/County split the cost of the backbone and each paying for its own laterals/vaults.

Phase 2 (2018 - 2020) brought City of Merrill fiber project to all City facilities, including Water Garage and Wastewater Treatment Plant.

Phase 3 (in 2021) will be closing the northern loop to complete a redundant ring.

Phase 4 will be to continue the backbone fiber down East Main Street (from the Waste Water Treatment Plant vault) to Highway 51 for potential future connectivity to resources located in the highway right of way, to provide future services to this growing area, and as a starting point for a fiber route to the City of Tomahawk. We also are planning in this phase to install a WiMAX wireless system on the East Street water tower for Government vehicles and other mobile resources to utilize.

Justification

Phase 2 (2018 - 2020) included 10/9/2018 contract awarded to Underground Systems for $489,359. In 2019 and 2020, the Fiber Stack Switch at City Hall and comparable equipment at Fire Station (i.e. IT backup center), along with Transceiver Modules for each City/Utility facility was installed

Phase 3 (2021) involves redundancy. Key for City ability to sell service to other public-sector users (such as Merrill Area Public Schools and Northcentral Technical College).

Project Name Library Boiler Replacement

Type Equipment
Useful Life 20 years

Priority 1 Critical

Total Project Cost: $75,000

Description

Replace cast iron boiler with condensing boiler. Replace all pumps and controls with new installation.

Justification

Boiler will be at end of life cycle. Replacing the cast iron boiler with condensing boiler would also reduce utility expenses.

There were originally two 700 MBH boilers installed during the addition project at the library. Roughly two years later one of the 700 MBH boilers was replaced with a 300 MBH condensing boiler. City Maintenance Manager recommendation is that we replace both boilers with (2) 600 MBH boilers.

Both boilers are in terrible condition, the larger boiler had a cracked heat exchanger that was replaced with an used heat exchanger that was on-site but could fail at any moment. The smaller of the two boilers can not handle the demand of the building during the heating season. The smaller boiler was installed to support the VAV's in the system which could be handled by the new boilers as they would be a much more efficient modulating model.

Total Project Cost: $12,000

Description

We have been having water pressure issues for a number of years at our restrooms at Kitchenette Park.

We have been having issues when more than one person uses the restroom at the same time, there is not enough pressure to flush two toilets. This leads to clogged toilets and sanitary issues on a consistent basis, as well as calls from the public.

Justification

The supply line was installed in 1955 and is only 1" to the front of the restrooms and 3/4" feed into the building. It is very old and very much under sized for our current usage.

This would cut down on weekend calls for maintenance and for cleaning on the weekends for our staff. This also a customer satisfaction investment for the people that rent and use the facility.

Description

With over 300 feet of unimpeded roof lines we have issues with water sheeting. By installing gutters over the entrance/exits we want to steer the water away from the building entrances.

Justification

We have already had to replace sections of our entrance sidewalk twice since I have been here due to improper water drainage. As well as replacing the back
driveway, door, and concrete inside the building because of water ponding and penetrating under the existing concrete. Our driveway near the pit doors will need replacement very soon and it is almost entirely due to water pounding on it constantly. This investment will save us money in the long run.

Because of our roof system and roof size, we have to have special heavy gauge gutters installed to handle the volume and has to be installed specially. It is more expensive than residential gutters but will be worth it.

Description

Forever we have had granite aprons around our park shelters. It is a cheap and functional way to limit weed trimming and to keep a hardened surface just off of the concrete floors of the shelters. The downfall to granite is that it holds small refuse, gets kicked into the shelters and grass, and erodes with time and needs to be maintained consistently and/or added to. We would replace these areas with concrete aprons.

Justification

Looks nicer, much less maintenance, easier to clean, cost savings in staff maintenance time on a daily basis.

Description

On-going replacement of zero turn mowers. One replaced in 2020.

We need to replace our existing 2011, 6-foot cutting width Gravely Zero Turn field mower. It has reached its useful life and repair costs are high This mower is used to mow athletic fields and everywhere in all of our parks. It is used daily from when the grass begins growing until grass is dormant.

Justification

Due to use, reaching maximum life cycle and repair costs increasing.

Mowing equipment is our life-line for keeping parks and athletic fields. We need to ensure that our parks look beautiful and a major part of that is having clean cut grass and having mowers to be able to perform that task. Beautiful parks are a first impression for many people in our community and we take a tremendous amount of pride in beautification.

Description

As with previous requests, we have invested in very positive improvements to our beautiful City Forest that has brought many new visitors to that area and our community. These new trails have brought in regional biking events and droves of people.

With that positive momentum, we would like to ensure that we have the proper amenities to provide users. Pit toilets would be precast concrete from top to bottom and would not require running water or septic.

These vandal proof, very low maintenance toilets are perfect for remote locations such as this and will go a long ways in user satisfaction.

Justification

Increased usage from local citizens and visitors is great for our local economy and requires some basic life conveniences. One pit toilet would allow people to utilize our City Forest more and not have to worry a restroom.

Project # ST-21-006

Project Name Tandem Dump Box Replacement

Total Project Cost: $25,000

Description

Replacement of dump box and hoist on our 1-14 International tandem dump truck.

The truck is a 2007 unit and is not scheduled for replacement until 2032.

Justification

The current steel box is rotted to the point of no repair. Currently the tail lights have nothing left to mount to so they fall out regularly leaving City employees without adequate safety lighting.

The box was and blasted and painted once before; however, there is not enough solid material to sandblast again.

Category Equipment (Non-Vehicles)

Priority 1 Critical

Total Project Cost: **$20,000**

Description

Installation of jib crane in the mechanics shop at the City Garage.

Justification

There is currently no crane so mechanics rely on lifting heaving items and equipment with a forklift or front end loader. This can create a dangerous situation and is inconvenient as it requires two employees. A crane would allow for safely lifting items with one person. City Streets employees could install foundation to save money.

Description

Justification

Current air compressor will be 26 years old in 2021. Plan is to purchase a similar machine and use the old one as our second unit instead of renting equipment.

Machines are used daily from spring through fall for operating jackhammers, crack sealing equipment, and compactors.

Project # STR-20-015
Project Name City Garage Parking Lot

Type Improvement
Useful Life 20+ years
Category Parking Lots
Priority 1 Critical

Total Project Cost: $100,000

Description

Replace remaining parking lot at City Streets Garage.

Project deferred from 2020 due to COVID-19.

Justification

This last section of pavement has deteriorated to the point of replacement.

The section of pavement inside the fence is a DNR required storm water retention area. If this pavement is completely failed, contaminated storm water can enter the ground water and rivers. The rough pavement also results in lost salt and sand when loading plow trucks.

The Street Department would remove all existing pavement and grade and prep for paving.
This item was requested but not funded in the 2019 budget.

Project # STR-21-003

Project Name Emergency Generator

Total Project Cost: $45,000

Description

Installation of standby generator for the City Street Garage building.

Currently run a small portable generator during power outage. This runs a few lights, the fuel system, and the offices.

Justification

Two power outages in 2018 showed how difficult it is for us to operate without one. Considering our crews are generally working to remove tree damage or plow streets after a storm, it is vital that we can operate smoothly.

A standby generator would allow us to run most of the shop tools, all the lights and open the overhead doors to get equipment out in a timely manner.

Project # UT-SEW-21-03
Project Name Dewatering Pump-Trailer Mounted

Type Equipment
Useful Life 20+ years
Category Vehicles & Equipment
Priority 1 Critical

Total Project Cost: $37,000

Description

It is a 6" general purpose bypass and dewatering pump. Unit can pump up to 1500 gpm and is capable of pumping sewage solids up to 3" in diameter.

Justification

With the higher capacity pump we can pump out the aeration, primary, and clarifier tanks for maintenance faster. It will also be used during emergencies at the treatment plant, and lift stations. Street Department will use it during heavy rain events. We will be able to divert the wastewater in the interceptor to clean it and inspect if before it is lined in the future.

Type Maintenance

Useful Life 25+ years

Category Wastewater

Priority 2 Important

Total Project Cost: **$500,000**

Description

Line sewers to extend useful life of the sewer mains.

By setting up a maintenance fund for sewer lining (equivalent to the Equipment Replacement Fund) we can repair problem areas when they occur. Also, there will be funding for lining the Interceptor which is the main sewer line running through the city to the treatment plant.

Justification

If street pavement replacement is not required, potential to line existing sanitary sewer mains.
It is less expensive to line failing sewers than to dig up the road to replace it. When problem sewers are identified we will be able to repair them.

With the Interceptor being so close to the river it is a major source of I/I (inflow and infiltration) when the river is high the amount of Influent entering the plant can more than double.

City of Merrill
Commission Meeting Minutes
Wednesday, October 21, 2020
Merrill Airport Terminal

Members Present: Gary Schwartz (Chairman), Lyle Banser, Joe Malsack, Mark Weix, Jr. (Alderman), Gary Schulz (via phone)

Public Present: Larry Wenning, City Cameraman

1. Call to Order – Meeting called to order by Chairman Schwartz at 18:05.

2. Approval of Meeting Minutes from September, 2020 – Minutes not available.

3. Approval of Vouchers – Vouchers reviewed and initialed. Motion to pay vouchers by Malsack; second by Schulz. All ayes. Motion carried.

4. Runway 16/34 Project Status – Schwartz met with Karl Kemper and Randy VanNetta at Beecher Hoppe Engineering and discussed data from the AWOS System. They found that the current system does not record wind gusts but does record steady winds that FAA use as criteria for justifying cross wind runways. So, they concluded that the AWOS System with the current software is flawed and not including wind gusts. Chairman Schwartz and the Beecher Hoppe Reps, Karl and Randy, set up a conference call with the head of the BOA (Bureau of Aeronautics), Dave Green, and several other reps of the BOA. They all committed to further investigation of the AWOS System's incomplete recording capability. We are hopeful that this new information will create some positive results for Merrill's cross wind runway. FAA is unable to understand the software used in recording AWOS (Automated Weather Observation System).

   Also, Schwartz had a chance meeting with FAA maintenance reps which were doing the annual check on the AWOS System, which they reported was working correctly. Then earlier this month, Merrill Airport was notified that the AWOS was in fact off by 4° and that the Lightening Reporting System should be replaced.

5. Discussion Entitlement Projects – First project when approved will be the Lightening Reporting System, which we planned on doing for two years.

6. Discussion/Decision Fuel System Credit Card Reader – Has been budgeted for this next year. EMV (European Master Visa) is an updated security device which keeps fuel sale vendors from being liable for fraudulent charges.

7. Discussion F-84 Display and Mounting – Schwartz asked the Committee members to start thinking about a new stand support at the new FBO location for the F-84 Display.

8. Discussion T Hangar – Schwartz discussed his presentation at the City Council Meeting for a T-Hangar and will put together costs for an 8 – or 10-unit T-Hangar. Schwartz reported Tyler Hess is planning on building a 60' x 60' hangar in the SE corner lot by the new FBO area and will attend November meeting with proposal.

9. Discussion/Decision Spraying Weed Killer – Would like to spray as soon as possible to maintain the apron area that was built for future use so it does not deteriorate.

10. Manager's Report – None

11. Airport General Maintenance – Joe Malsack met with Rich McCullough for explanation of FBO lighting; all lighting is completed in the new terminal.

    Still waiting for the warranty for exterior lighting. Trying to install tie downs for airplanes if weather permits. Still waiting for new door on FBO Hangar.

12. Chairman's Report – Was covered in No. 4.

13. Aviation Happenings – 737 Max is reported to be back in service within this year.

14. Public Comment – None

15. Agenda Items for Next Meeting – Tyler Hess' new hanger. Discussed the list for new T Hangar vacancies.

16. Adjournment – Motion by Malsack; second by Weix. All ayes. Motion carried. Meeting adjourned.

SEPTEMBER '20 MEETING MINUTES
Merrill Enrichment Center Committee
Meeting was held on September 17th, 2020 at 3:15pm
Merrill Enrichment Center Conference Room – 303 N. Sales Street

Present: Laura Bertagnoli (Chair), Gene Bebel, Rose Akey, Sharon Harvey, Rev. Lucas Williams, Jennifer Clark (ADRC representative), *Absent:* Paul Russell (Alderperson)

1. **Opening**
   a. Laura called the meeting to order.
2. **Consent Items**
   a. Motion by Akey second by Harvey to approve August minutes. Motion carried.
   b. Motion by Akey second by Harvey to approve Aug-Sept vouchers. Motion carried.
3. **Public Comment** – no public comment
4. **Budget**
   a. Kathy Unertl joined our meeting to discuss the expectation on the MEC to contribute to the general fund to offset operational cost. She explained the three departments in the City that are expected to contribute financially to the general fund are the MEC, Park & Rec and the Library. These contributions are primarily to help offset any increase in operations. Bebel asked the question on the financial responsibilities of the MEC relative to the Expo Center. Unertl explained all expo and festival grounds expenses are from Fund 24 paid for by property tax, room tax, and expo rental revenues. The MEC only pays for phone/911 services in this building. She further explained that the police department takes up 25% of the city's tax levy budget followed also by our fire department and then streets. Bebel requested a fiscal status report for the Merrill Festival Grounds from Kathy.
   b. Outlook for 2021 discussion also took place relative to the upcoming budget. Director questioned the requested number for 2021 based on our current state of operations. Director is compiling data from the past 3 years for Committee and Council review.
5. **Discussion**
   a. Sales and Use Tax was moved up on the agenda so Kathy could participate prior to leaving the meeting. Discussion on collecting use tax was brought up in an early meeting at city hall. MEC committee members were informed and provided documents to review. Bertagnoli brought up a few questions relative to the wording in the document. Much of the questions stemmed from the use and definition of the word 'recreational' vs. entertainment. Bebel also was concerned of having to raise fees. Mrachek reached out to the Middleton Senior Center Director to find out if she collects tax on her activity and program fees. She informed us that she does not because they are a tax exempt department of the City. Kathy suggested we check further into this. Mrachek will contact the WI DOR for further guidance. Bebel expressed concern of having to raise fees, especially at this time. He also suggested possible fundraising efforts if needed. Director does not want to raise fees and can look into grants if necessary.
6. **COVID-19 – Phase 2 – Update on Operations**
   a. Director provided the following information on attendance and outreach.
      i. Aug 20 – Sept 17 attendance for exercise classes was 191 (many are repeat participants), 19 walkers, 66 additional participants for various programs. Total was 276.
   b. Needless to say, the MEC Thanksgiving meal will look different this year. There will not be a sit down meal at the church but rather offer both delivery and carry out. St. Stephens will be the church preparing the meal. Rev. Lucas is having a meeting with his council this week. Mrachek recommended using our building for the pick-up location for both volunteer drivers as well as the carry-outs. We have a more favorable location, free of steps and plenty of parking. Rev. Lucas agreed and will bring it back to the St. Stephens church volunteers and council. Mrachek invited volunteers to come to the Center to see our space. Bertagnoli added the expo has plenty of space for social distancing, we have a kitchen that could accommodate and if overflow we could cook at the church and bring it over. Harvey noted the need for strong communication/advertising so people would be aware of the change. We should have more information by mid-October.
7. **ADRC**

OCTOBER '20 MEETING MINUTES
Merrill Enrichment Center Committee
Meeting was held on October 15th, 2020 at 3:15pm
Merrill Enrichment Center Conference Room – 303 N. Sales Street

Present: Laura Bertagnoli (Chair), Gene Bebel, Rose Akey, Sharon Harvey, Paul Russell (Alderperson)
Absent: Rev. Lucas Williams, Jennifer Clark (ADRC representative),

1. **Opening**
   a. Bertagnoli called the meeting to order.
2. **Consent Items**
   a. Motion by Bebel second by Harvey to approve September minutes. Motion carried.
   b. Motion by Bebel second by Akey to approve Sept-Oct vouchers. Motion carried.
3. **Public Comment** – no public comment. Mrachek shared that NewsChannel 7 visited the MEC for a story related to keeping our community healthy amidst the current crisis. The segment aired over the weekend of the 16th.
4. **Budget**
   a. Director provided figures from the past 3 years for Committee and Council review. Please see this information on page 2. Director discussed the concern of the large increase in financial expectations for the MEC to contribute back to the general fund, despite what we are actually making. One example is from 2019 as shown in the spreadsheet. Our revenue balance after expenses was only $3120 but we paid back $8290 to fund #10. We do have reserved funds in budget #26 to help offset the difference however this money is budgeted for 5+ years out to ensure continued operations of the department. *The committee and director are very concerned over the 2021 expected funds of $17,125, especially given the current economic impact of COVID and the uncertainty of next year.* Russell stated he did not have any input yet as it depends on the overall city budget.
   b. Per Mr. Bebel's request, Finance Director Unertl provided the updated fiscal status report for the Merrill Festival Grounds to the Committee. This resulted in a better understanding on how the Bierman Building is funded and that the MEC does not provide funding for the building.
5. **COVID-19 – Phase 2 – Update on Operations**
   a. Director stated that attendance numbers remain steady and increased due to Pound class offering again on Wednesday nights.
   b. Director shared MEC's most recent outreach efforts. "Lifting Lincoln County!" is an outreach program created collaboratively with 6 organizations designed for the purpose of keeping isolated adults in our area connected to the community. The organizations include The Merrill Enrichment Center, our local UW-Extension, ADRC of Central Wisconsin, T.B. Scott Library, Tomahawk Library and Tomahawk Senior Center. We extended our reach further to include area churches, as they generally have a list of members who are isolated. Our community organizations have established great connections with our seniors and isolated adults. However, because of COVID-19 even more seniors are confined to their homes. Many of us know this isolation can lead to loneliness, depression, and a number of detrimental health issues.
      The outreach program will run from November of 2020 through April of 2021. Each household will receive a reusable bag designed with our logo "Lifting Lincoln County". Included in each bag will be the following items; art project, mind game, seasonal activity, at home exercises, mindfulness activity, recipes, and community resource information. Each household will receive a total of 3 bags; one in Nov/Dec., Jan/Feb, and March/April. Items will vary with seasonal changes. To date we will be delivering a total of 900-1200 bags.
   c. The MEC will work with St. Stephens Church to offer our annual Thanksgiving meal. The Church committee agreed to have all delivery and carry-out meals take place in the Expo. This is a perfect space for us to be able to coordinate this outreach safely for our volunteers and our community. The meal will be delivered Thanksgiving Day. We are planning for 350 meals. Registration is required by calling the MEC at 715-536-4226.
   d. Christmas Joy will be discussed further in our November meeting.
6. **ADRC**
   a. Jennifer Clark shared the attached document found on page 3 below.
7. **Discussion**
   a. Sales and Use Tax does not apply to the MEC. Mrachek called the DOR to discuss our operations which resulted in business as normal for us. Mr. Bebel also called and received similar information with the exception of entertainment fees if the MEC were to ever offer such events.
8. **Adjournment**
   a. Motion to adjourn made by Bertagnoli second by Harvey.

The next meeting date is **November 19th at 3:15pm in the MEC Conference room.**
Public invited to call in. Please check city website for call in number.
Vouchers will be available for review 10 minutes prior to meeting time.

Please consider sharing this information via your Facebook pages.
